

## Color Options for Traditional Hearth Pads

Choose from a wide range of hearth pad color and material combinations. Hearth Classics hearth pads are available in tile (ceramic & porcelain) and slate.

### Traditional Hearth Pad Tile Color Options

Select from a large variety of tile colors that will look best with your stove and home. Looking for a more complex color combination? Add extra beauty to your stove while providing excellent protection with a two-tone tile hearth pad.

Olympic Gray

Sonora Desert

Desert Canyon

Black Hills

Canyon

Desert

Arctic Sky

Charcoal

\*\* Current tile offerings are subject to change, and the actual color of tile may vary from the product picture. Tile shown in any lifestyle pictures may or may not be available. Product pictures below are samples and do not reflect the scale of the finished pad. \*\*

### Slate/Stone/Brick Color Options

Natural Cleft Slate is the most popular texture for slate flooring. The surface is moderately rough, giving your hearth pad a unique, slip-resistant appearance. If you want a more earthy feel and antique look for your hearth pad, Tumbled Slate is a versatile material that aesthetically adds to the interior of any home. Use our Used Brick for a traditional hearth pad look.

Montana Flagstone

Indian Slate

Mica
